Our club is run by volunteers. Please do complete this form to indicate when you might be able to help. If required, you will be contacted before the event to see if you are still available. If all members give a small amount of time during the year the club can continue to operate. Please do remember that most of the committee have horses to compete too.

There are many roles that need to be covered. If you have a preference please specify (e.g. dressage writing). If not, just tick to show that you are available.
